TESTIMONIAL

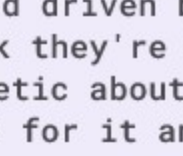

MR. SAYED

CTO, TechG

AMY conveys quality work. She is an excellent individual and an extraordinary cooperative person. She is extremely straightforward and puts all her energy to follow through on schedule.

SHAIF ARFAN

CEO, WEBc.

I've worked with many individuals who are tendentious and driven by things other than the work they're doing. AMY is genuinely energetic about the web and the items she makes for it and that is quite darn marvelous.

AYAN KHAN

Singer

AMY is a wonderfully creative, collaborative, and gifted developer who excels at creating inclusive digital solutions.

STATS

50+
